#### **BASIS FOR THE OFFER PRICE**

The Offer Price will be determined by our Company and the Selling Shareholders, in consultation with the GCBRLMs and BRLM, on the basis of assessment of market demand for the Equity Shares offered through the Book Building Process and on the basis of qualitative and quantitative factors as described below. The face value of the Equity Shares is ₹ 10 and the Offer Price is 81.80 times the face value at the lower end of the Price Band and 82.10 times the face value at the higher end of the Price Band. Investors should also refer to "Our Business", "Risk Factors" and "Financial Statements" on pages 147, 17 and 218, of the RHP respectively, to have an informed view before

Some of the qualitative factors which form the basis for the Offer Price are: • Strong distribution network with deep penetration serving underserved customers in rural and semi-urban markets; • In-house sourcing model leading to superior business outcomes; • Rebust and comprehensive credit assessment, risk management and collections framework; • Access to diversified and cost-effective long-term financing; • Effective use of technology and analytics to build a scalable and efficient operating model; • Experienced management team. For further details, see "Our Business - Our Competitive Strengths" on page 149 of the RHP.

Quantitative Factors: Certain information presented in this chapter is derived from the Restated Standalone Financial Statements and Restated Consolidated Financial Statements prepared in accordance with Indian GAAP and Companies Act, 2013 and restated in accordance with SEBI ICDR Regulations. For more details on financial information, please see "Financial Statements" on page 218 of the RHP.

Some of the quantitative factors which may form the basis for computing the Offer Price are as follows:

#### 1. Basic and Diluted earnings per Share
